The Crohn's and Colitis Foundation of Canada

- Is the only national organization committed to finding the cure for inflammatory bowel disease (IBD).
- Is a voluntary, medical research Foundation with over 65,000 supporters.
- Is the largest sponsor of IBD research in Canada.
- Has invested over \$29 million on world class research projects.
- Launched the CCFC IBD Network - a collaboration linking IBD patients, clinicians and researchers.
- Established the CCFC IBD Research Scientist Award to provide multi year research funding to Canadian university based investigators.

What is IBD?

Crohn's disease and ulcerative colitis are diseases of the digestive tract. Together, they are known as inflammatory bowel disease (IBD).

- There is no known cause or cure for IBD.
- Anyone regardless of age, gender or race can get IBD.
- Approximately 150,000 Canadians suffer from IBD.
